

ONE DAY

OF TOUGH MUDDER

FOR 1 TOUGH KID!

TOUGH MUDDER for GLENN LIGHTNER

NOVEMBER 17 & 18, 2012 • RACEWAY PARK ENGLISHTOWN, NJ

Glenn Lightner of Long Valley, NJ, is battling brain cancer.

In an outreach of caring and support, friends, neighbors and community have united to raise donations on behalf of the Lightner family for their costly and increasing medical expenses.

Laurence Borst also of Long Valley will be competing in the 2012 World's Toughest Mudder 2-day event on November 17 and 18, 2012, and using it as an opportunity

to raise money to ease some of the burden this family is facing.

Let's motivate this Tough Mudder runner in his final leg of the season and pledge per lap or by single donation—push him to do his best and help him help others!

All proceeds will be given to the Lightner family for medical expenses. Thank you for your donations, support, and prayers.

See brochure for full details or contact klborst@comcast.net for more info.
